AB

28USD/M2

*Above quotation is deemed as a reference only as the wood material cost is changing from time to time.

*The pic colors maybe not exactly same to the real sample,pls ask for our real sample as standard.

*One wood sample could be custom made other with clolors as well,but your sample is required.

*All above smaple pics are prefinished,C&L hardwood could supply unfinished as well.

*As wood is natural material,board to board color varations can not be avoided.

*We offer better price for big voloume buyer and custom made other sizes floor board.
